**REDLINED AMENDMENTS**

Sir:

Below are the amendments in the accompanying Amendment for the above-identified application shown in redlined format:

**IN THE CLAIMS**

Please amend the claims, without prejudice or disclaimer, as indicated below:

Please cancel claim 7 without prejudice or disclaimer.

1. (Amended) A method for non-cellular display of 7-transmembrane receptors comprising the following steps:

- a) incorporating an attachment scheme ~~tether~~ to a receptor;
- b) solubilizing the receptor; and

c) presenting the receptor in conjunction with a support, wherein said support comprises at least one substrate selected from the group consisting of silica bead substrates, latex bead substrates and other bead substrates appropriate for flow cytometry and wherein the receptor in conjunction with a support is analyzed with a flow cytometer.
